Freddy my love, I miss you more than words can say
Freddy my love, please keep in touch while you're away
Hearing from you can make the day so much better
Just a souvenir or even a letter
I really flipped over the great cashmere sweater

Freddy my love
Freddy my love
Freddy my love

Freddy you know, your absense makes me feel so blue
That's okay though, your presents make me think of
you
Mama will have a heart-attack when she catches
Those little bushes with the black leather patches
Oh how I wish I had a jacket that matches

Freddy my love
Freddy my love
Freddy my love
Freddy my love

Don't keep your letters from me, I quilt to every line
Your spelling's kinda crummy
But honey so is mine I treasure every gift
The ring is really nifty
You say it cost you fifty, so you're drifty, I don't mind
Whoa - Freddy you see
You'll hold me in your arms someday
(Freddy my love)
And I will be wearing your lacy lingerie
(Freddy I'm yours)
Thinking about it, my heart's pounding already
Knowing when you come home, we're bound to go
steady
And through your service pay around my confetti

Freddy my love
Freddy my love
Freddy my love
Freddy my love - ooh Freddy Freddy my love
Freddy my love

Freddy my love - ooh Freddy Freddy my love
Freddy my love, Freddy my love -
I'm ready Freddy my love
Freddy my love
Freddy my love - ooh Freddy Freddy my love
Freddy my love, Freddy my love
