### Whispering Pines

The snowflakes fall, as winter calls  
And time just seems to fly  
Is it the loneliness in me  
That makes me wanta cry  
My heart is sad like a mourning dove  
That's lost it's mate in flight  
Hear the cooing of his lonely heart  
Through the stillness of the night

### CHORUS:

Whisperin' pines, whisperin' pines  
Tell me is it so  
Whisperin' pines, whisperin' pines  
You're the one who knows  
My darlin's gone, oh, she's gone  
And I need your sympathy  
Whisperin' pines, send my baby back to me

See that squirrel up in the tree  
His mate there on the ground  
Hear their barking call of love  
For the happiness they've found  
Is my love still my love  
Oh, this I've gotta know  
Send a message by the wind  
Because I love her so

### REPEAT CHORUS
