I Love To Hate You  
I Am In Winter  
Frostbite Hath Claimed Me  
I Succumb To Numbness

Within The Confines Of Crystal  
Reflected Is My Loathing  
Under Ice And Still Chill Waters  
Fish Bite Stiff Men And Children

In The Fog, In The Woods At Midnight  
In A Land Where It's Always Winter  
I Cut The Thin Skin Of My Ankles  
And The Wind Follows Me Like Army  
Lashing Like A Bullwhip In The Arctic  
I Fling Icicles Like Bee Sting  
Stuck Under Glass, In The Sphere, In The Storm  
I Shut My Eyes And Sleep In Sleet

-Chorus-  
Freezing Men Don't Laugh At Murder  
Bleeding Naked In The Bathtub  
Open Windows Tempt The Savory  
Woman's Heads Float Just As Easily
