Life, seems to fly, away today  
I woke up in the morning and things don't feel the  
same - No Way.  
But least I got my dogs, least I got my friends, least I  
got my soul jah love never end.  
For crying out loud come back to me, for crying out  
loud hear my plea.  
Whoa - don't get me twisted, don't get confused.  
Come on all awaken and it's time for me to choose.  
Maybe tomorrow, maybe tonight  
Give me one more chance I swear I'll get it right.

### CHORUS:

Cause Your Love, is My Love, and my Love is your Love.  
So your Love is my love and One Love is Our Love!  
And we can Free, Whoa ooooh the world yeah  
So won't ya free free free free free-me.  
If ya see see see see see-me. Won't ya free free free  
free free-me.  
Be my girl, yeah

It's been so long, have these things inside.  
I can't remember why we tried to hide. Urrummmh.  
Inside, tell me why.  
I said my heart keep on breakin' and don't never stop!  
I was passed out grinning, twitching, at the tears I've  
got.

### CHORUS

Come a little closer.  
411 - Oooh My Heart is Strong!  
202 gether  
We can't wrong.  
We are on this mic do'in what I like,  
Won't get on the floor to give me some more,  
Flowers went to ember and what will become -  
This is how I know that you're the one.

But least I got my dogs, least I got my friends, least I  
got my soul jah love never end.  
For crying out loud come back to me, for crying out

loud hear my plea.  
Whoa Â– don't get me twisted, don't get confused.  
Come on all awaken and it's time for me to choose.  
Maybe tomorrow, maybe tonight  
Give me one more chance I swear I'll get it right.
