I Could Fall In Love With You
Selena

I could lose my heart tonight,
If you don't turn and walk away.
Cause the way I feel I might,
Lose control and let you stay.
Cause I could take you in my arms,
And never let go.

I could fall in love with you...
I could fall in love with you...

I can only wonder how,
Touching you would make me feel.
But if I take that chance right now,
Tomorrow will you want me still?
So I should keep this to myself,
And never let you know.

I could fall in love with you...
I could fall in love with you...

And I know it's not right,
And I guess I should try,
To do what I should do.
But I could fall in love with you.
Fall in love with you.

I could fall in love with you...
I could fall in love with you...

I should keep this to myself,
And never let you know.

I could fall in love with you.
I could fall in love with you.

I could fall in love...
I could fall in love...
With You

I could fall...
Fall in love with you.
