(Lee Ann Womack)

Ciara:

I hope you never lose your sense of wonder  
You get your fill to eat but always keep that hunger  
May you never take one single breath for granted  
And God forbid love ever leave you empty handed  
I hope you still feel small when you stand beside the  
ocean  
Whenever one door closes I hope one more opens  
Promise me that you'll give faith the fighting chance  
And if you get the chance to sit it out or dance

All:

I hope you dance, I hope you dance

Ciara:

I hope you never fear those mountains in the distance  
And never settle for the path of least resistance  
Living might mean taking chances but they're worth  
taking  
Loving might be a mistake but it's worth making  
Don't let some hell-bent heart leave you bitter  
When you come close to selling out reconsider  
Give the heavens above more than just a passing glance  
And when you get the choice to sit it out or dance

All:

I hope you dance, I hope you dance  
I hope you dance, I hope you dance

Ciara:

I hope you still feel small when you stand beside the  
ocean  
Whenever one door closes I hope one more opens  
promise me that you'll give fate the fighting chance  
And when you get the choice to sit it out or dance

All:

Dance, I hope you dance  
I hope you dance, I hope you dance.
