In the morning  
In the evening  
Anytime at all  
I'll be ready, baby when you call

In the darkness  
I'll be waiting  
With nothing but a smile  
You got me crazy  
I just want what's mine

I don't need another love song  
You're the only thing that turns me on

Nobody loves me like you do  
Nobody understands, everything I am  
Nobody else could ever take your place  
You're all that I want  
I'm in heaven now  
Nobody loves me like you do  
Don't be tired  
Don't be late now  
Don't forget your key  
I'll be right where you should be

Don't you know you're taking too long  
You're the only thing that turns me on

Nobody loves me like you do...

You got something that's so true  
I need your loving like a heartbeat  
You're my everything cause I believe

Nobody love me like you do...
