[Intro]

For Love (x3)

[Verse 1]

In a distance
Satellites relay
A Transmission
Of Love's delay
You see a sign it
Keeps you on the run
You can find it
If you keep it on

[Chorus]

Cross your wires for love electric
Plug me in, take me home
Cross the lines, it's love electric
I'm an army in your zone

[Verse 2]

There's a cold tide
Rising off the shore
A vessel wanders
Off it's nightly course
If you signal
With the code of love
It comes in faster
Like static from above

[Bridge]

On the streets
And in the fields
On the beach
And under seas
You Can hear the sound
Of wires crossing underground for love
And if you think
That you can hide
You will find
You can't survive
The circuits screaming

Tracing out the night

For Love x2

[Chorus]

Cross your wires for love electric

Plug me in, take me home

Cross the lines, it's love electric

I'm an army in your zone
