Tahj From the day we arrive on the planet  
And blinking step into the sun  
There's more to be seen, then can ever be seen  
more to do, then can ever be done.

Some say, eat or be eaten  
Some say, live and let live  
But all are agreed, as they join the stampede  
You should never take more then you give

(Chorus) The Circle of life  
It's the wheel of fortune  
It's a leap of faith  
It's a band of hope.  
Untill we find, our place  
On the path unwinding  
In the Circle, the circle of life

Some of us fall by the way-side  
And some of us soar to the stars  
And some of us sail through our troubles  
and some have to live with their Scars

There's far too much to take in here  
More to find, then can ever be found  
But the sun rolling high through the saphire sky  
Keeps great and small, on the endless round

(Chorus x-2)

In the circle, In the circle, the circle of life.  
life, life life life(?) Woaah woaah.
