Belle Perez

"Belle perez - don't play with my heart"

I've been waiting for you in the moonlight
Beneath my window
I wish for a sign
Now i'm asking myself
How much longer i'll last
If you will ever be mine

You turned my life upside down
You got me jumping like a clown
And then again you won't see
You put my patience to the test
And not forget about the rest
There's only you for me

Don't play with my heart
Don't mess with my mind
Baby STOP,you'r tearing me apart
I don't know what to do
Here i am begging you
When will you respect my broken heart

How...make...
You make me lose all my senses
You drive me crazy
I'm losing controle
Once i show you
How weak my defences
You know that it's easy to fall

You turned my life upside down
You got me jumping like a clown
And then again you won't see
You put my patience to the test
And not forget about the rest
There's only you for me

Don't play with my heart
Don't mess with my mind
Baby STOP,you'r tearing me apart
I don't know what to do
Here i am begging you

When will you respect my broken heart

Don't play with my heart
Don't mess with my mind
Baby STOP,you'r tearing me apart
I don't know what to do
Here i am begging you
When will you respect my broken heart
When will you respect my broken heart

Stop playin' games
Stop playin' games
You'r tearing my life to pieces
Stop playin' games
Stop playin' games
Can't you see that i'm going (?)
Whoaaaaaaaaaaaaw

MMMMMM
You'r turning my life upside down
Cause you got me jumping like a clown

So don't
Don't play with my heart
Don't mess with my mind
Baby STOP,you'r tearing me apart
I don't know what to do
Here i am begging you
When will you respect my broken heart

Laaaaaaa,lalolalolalo,lalalalala

I don't know what to do
Here i am begging you
When will you respect my broken heart
When will you respect my broken heart
