Going through these changes
We can't be like strangers
Tell me who you are

Lately I've been losing sleep
Your lovely eyes are all I see
And I feel there's something gonna change
In my life

You're not like all the other guys
Just fun and games and foolin' 'round
With you I know this is gonna be so right
So right

I don't care what people say
They can't stop me from dreaming
And I wanna dream my life away

As long as I'm with you
I get this crazy feeling
You should be the one
You are my everything

As long as this is love
It's really worth believing in
This crazy feeling

Going through these changes
We can't be like strangers
Tell me who you are

Hola mundo
Estoy aqui
Para ti
Solo para ti

En esta vida no hay seguridad
La vida es pura disfrutala
Lieva siempre
Alegria y amor en tu mente

Si te encuentras triste piensa en mi
Siempre recuerda
Que yo vivo por ti
No soy nada
Yo sin ti estoy sola

Hola mundo
Estoy aqui
Para ti
Solo para ti

Hola mundo
Estoy aqui
Para ti, Yeah ¡

Tu eres todo confia en mi
Tu eres todo entregate en mi
Pero el mundo
Para solo estar contigo un segundo
Dee dee dee yeah
Dee dee yeah yeah yeah

Solo un segundo
Dee dee dee yeah
Dee dee yeah yeah yeah

Hola mundo
Estoy aqui
Para ti
Solo para ti

Hola mundo
Estoy aqui
Para ti
Solo para ti

Hola mundo
Estoy Aqui
Para ti
Estoy aqui
Para ti
Vivo por ti
Pienso en ti
Yo estoy aqui
Vivo por ti
Pienso en ti
Yo estoy aqui
Solo para ti

I see a world so full of colours since I met you boy
You're like rainbow in a starlit sky

Listen to your heart you are the reason why I come alive
If you'd only touch me baby my oh my

Maybe I'm too shy now
I don't know what to do
I only wanna let you know
I'm so in love with you

Hey can't you see honeybee
That's what you are to me
I wanna follow you wherever you go

Gee fantasy I wanna be
The one to set you free
I'm so in love with you
If you'd only know

Hey can't you see honeybee
That's what you are to me
I wanna follow you wherever you go

Gee fantasy I wanna be
The one to set you free
I'm so in love with you
If you'd only know

I wanna wrap my arms around you
I wanna wrap my arms around you
Never let you go

I wanna wrap my arms around you
I wanna wrap my arms around you
Never let you go

Hey can't you see honeybee
That's what you are to me
I wanna follow you wherever you go

Gee fantasy I wanna be
The one to set you free
I'm so in love with you
If you'd only know

Hey can't you see honeybee
That's what you are to me
I wanna follow you wherever you go

Gee fantasy I wanna be
The one to set you free
I'm so in love with you
If you'd only know

Hey can't you see honeybee
That's what you are to me
