Maybe I'm too shy now
I don't know what to do

I see a world so full of colours since I met you boy
You're like rainbow in a starlit sky
Listen to your heart you are the reason why I come alive
If you'd only touch me baby my oh my

Maybe I'm too shy now
I don't know what to do
I only wanna let you know
I'm so in love with you

Hey can't you see honeybee
That's what you are to me
I wanna follow you wherever you go
Gee fantasy I wanna be
The one to set you free
I'm so in love with you
If you'd only know

Love is a miracle I see it in your eyes they're shining
You got me walking in a golden sky
I could dance on clouds and face the world if I could
touch your smile
But you don't even see me baby why oh why?

Maybe I'm too shy now
I don't know what to do
I only wanna let you know
I'm so in love with you

Hey can't you see honeybee
That's what you are to me
I wanna follow you wherever you go
Gee fantasy I wanna be
The one to set you free
I'm so in love with you
If you'd only know

I wanna wrap my arms around you
I wanna wrap my arms around you

Never let you go
I wanna wrap my arms around you
I wanna wrap my arms around you
Never let you go

Honeybee
That's what you are to me
Wherever you go
Wherever you go

Honeybee
That's what you are to me
Wherever you go
Wherever you go

Hey can't you see honeybee
That's what you are to me
