Suddenly you made me see
How much you really mean to me
Physical
This is physical
Physical
I don't wanna talk about it
Physical
This is physical
Purely physical
I wanna kiss and make up

I didn't treat you right
And it hurts me more than I can ever say
I need your love tonight oh yeah
I'm sure you wouldn't want it any other way

We used to play the fool oh oh
Way back when we were two kids too smart to break the
rules
How come I didn't see (how come I didn't see)
That you were making plans that were including me

I don't wanna talk
I wanna kiss and make up
Let's not waste any time
I wanna kiss and make up
I never thought you were a lover next to being a friend
And tomorrow when we wake up we make up again

Physical
I don't wanna talk about it
Physical
I wanna kiss and make up

Baby I like your style
I love the way you dress adore the way you smile
I knew I loved you from the start
Once I listened to my foolish broken heart

I don't wanna talk
I wanna kiss and make up
Let's not waste any time

I wanna kiss and make up
I never thought you were a lover next to being a friend
And tomorrow when we wake up we make up again
(2nd time) we kiss and make up again

I really have to apologize
Just tell you the truth
No more secrets lies or alibis
I've been running away from you
Look what a foolish girl can do

I don't wanna talk
I don't wanna talk
No no I don't wanna talk
I wanna kiss and make up

I don't wanna talk
I wanna kiss and make up
Let's not waste any time
I wanna kiss and make up
I never thought you were a lover next to being a friend
And tomorrow when we wake up we make up again
(2nd time) no no we kiss and make up again
