Be my boy of golden
sunlight in the morning
when I wake up with you
Be my boy so bad tonight
this is a warning !
Be my boy

We can make a symphony
out of a sound bite
just watch me baby
Feel my body
while we're dancin'
common honey ...
That's what I like

All I wanna do,
I wanna do, baby
All I wanna do,
is get the most out
of our precious time

I'll give you real love
So hot you know
It's cool ... baby
I'll give you real love
I'll get you in the mood ...
ooh yeah

Be my boy
just let's get down and
make some real love
I can take it baby
Be my boy I want you now
give me a good time ...
That's what I like

All I wanna do,
I wanna do, baby
All I wanna do,
is get the most out
of our precious time

I'll give you real love
So hot you
know it's cool ... baby
I'll give you real love
I'll get you in
the mood ... ooh yeah
