We're dancing round and round on that bazouki sound
And all the people dancing sirtaki. We drink a glass of
wine
together we are fine the music in the air makes me
happy.
The day goes to an end
your tears I understand
But darling this goodbye is not forever.

Sagapo agati moe darling
oh beautiful darling I know
We will meet again. Sagapo agati moe darling

Oh beautiful darling a dream will come true.

Together we will be an island in the sea
And on the beach we both say I love you.
The stars right in your eyes we'll be in paradise
Only bazouki sounds and sirtaki
it's not only a dream
How far away it seems so darling this goodbye is not
forever.

Sagapo agati moe darling
oh beautiful darling I know . . .

Hey little girl come in my arms and take away your
tears
Hey little girl the only thing I say is sagapo
sagapo
sagapo.

Together we will be an island in the sea . . .

Sagapo agati moe darling
oh beautiful darling I know . . .
