When did it come to this  
These drained emotions  
I feel guilty for not being inspired  
I can see you reaching out to me  
But I leave you floating  
After I am free of you  
I should be missing what we had  
In loving memory  
To whom do I turn for a new beginning  
All alone do I trust with this task  
Of solace  
In loving memory

I have lost the power to feel  
Turned to stone  
My heart blackened

I should have seen what was good  
Not been so easily blinded  
All that glitters isn't gold

Every shimmering rock I've collected  
kept weighing me down  
Pulling me to the ground  
All that I have left of us is a memory  
A picture of you and me  
Have I forsaken my destiny

I have lost the power to feel  
Turned to stone  
My heart is bleeding  
I should have seen what was good  
Not been so easily blinded  
All that glitters isn't gold

Every shimmering rock I've collected  
kept weighing me down  
Pulling me to the ground  
All that I have left of us is a memory  
A picture of you and me  
Have I forsaken my destiny
