Guess who just got back today
Them wild-eyed boys that had been away
Haven't changed, haven't much to say
But man I still think them cats are crazy

They were askin' if you were around
How you was? Where you could be found?
Told them you maybe living downtown
Driving all the old men crazy

The boys are back in town
The boys are back in town
I said the boys are back in town
The boys are back in town

The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in

You know that chick that used to dance a lot
Every night she'd be on the floor shakin' what she'd got
Man, when I tell ya she was cool
She was red hot, I mean steaming

And that time over at Johnny's place
Well, this chick got up and she slapped Johnny's face
Man, we fell about the place
If that chick don't wanna know, forget her

The boys are back in town
The boys are back in town
I said the boys are back in town
The boys are back in town

The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in

Friday night dressed to kill
Down at Dino's bar and grill

Drink will flow blood will spill
If the boys wanna fight you better let 'em

That jukebox in the corner
Blasting out my favorite song
These nights are gettin' warmer and it won't be long
Won't be long till the summer comes

Now the boys are back in town
The boys are back in town
I said the boys are back in town
The boys are back in town

The boys are back in town
The boys are back in town
Spread the word around
The boys are back in town
Joining us now

See them hangin' down at Dino's
