We will never sleep, 'cause sleep is for the weak
And we will never rest, 'til we're all f**king dead
We will never sleep, 'cause sleep is for the weak
And we will never rest, 'til we're all f**king dead

We will never sleep, 'cause sleep is for the weak
And we will never rest, 'til we're all f**king dead
We will never sleep, 'cause sleep is for the weak
And we will never rest, 'til we're all f**king...

We will never sleep, 'cause sleep is for the weak
And we will never rest, 'til we're all f**king dead
We will never sleep, 'cause sleep is for the weak
And we will never rest, 'til we're all f**king dead

I refuse! I refuse!
I refuse to close my eyes

I have loved, and I have lost
I have turned, and I have tossed
I have listened, and I have watched
I've gave into this for long enough
I have lost, and I have loved
Sleep has stolen far too much
So don't close your eyes, not just yet
Sleep is just a cousin of death

I've said it before, and I'll say it again
If you think you're alive then you're better off dead
I've said it before, and I'll say it again
If you think you're alive then you're better off...
I've said it before, and I'll say it again
If you think you're alive then you're better off dead
I've said it before, and I'll say it again
If you think you're alive then you're better off dead

I have loved, and I have lost
I have turned, and I have tossed
I have listened, and I have watched
I've gave into this for long enough
I have lost, and I have loved
Sleep has stolen far too much

So don't close your eyes, not just yet
Sleep is just a cousin of death

So throw your diamonds in the sky, we'll stay gold
forever
So throw your diamonds in the sky, we'll stay gold
forever

I can promise you one thing: death will take us all
I can promise you one thing: you will die alone

We're all going to Hell, we may as well go out in style
Death is a promise, and your life is a f**king lie

We will never sleep, 'cause sleep is for the weak
And we will never rest, 'til we're all f**king dead
We will never sleep, 'cause sleep is for the weak
And we will never rest, 'til we're all f**king dead

I refuse! I refuse!
I refuse to close my eyes
