It must have been love
But it's over now

Lay a whisper on my pillow
Leave the winter on the ground
I wake up lonely, there's air of silence
In the bedroom and all around

Touch me now
I close my eyes
And dream away

It must have been love
But it's over now
It must have been good
But I lost it somehow

It must have been love
But it's over now
From the moment we touched
Till the time has run out

Make believin' we're together
That I'm sheltered by your heart
But in and outside I've turned to water
Like a teardrop in your palm

And it's a hard
Winter's day
I dream away

It must have been love
But it's over now
It must have been good
But I lost it somehow

It must have been love
But it's over now
It's where the water flows
It's where the wind blows
It's where the water flows, oh, yeah

Ho...oh...oh...
Ho...oh...oh...
Ho...oh...oh...

It must have been love
But it's over now
It must have been good
But I lost it somehow

It must have been love
But it's over now
From the moment we touched
Till the time had run out, yeah

It must have been love
But it's over now
It was so all that I wanted
Now I'm livin' without

It must have been love
But it's over now
It's where the water flows
It's where the water flows
It's where the water flows
