Be my boy of golden  
Sunlight in the morning  
When I wake up with you  
Be my boy so bad tonight  
This is a warning !  
Be my boy

We can make a symphony  
Out of a sound bite  
Just watch me baby  
Feel my body  
While we're dancin'  
Common honey ...  
That's what I like

All I wanna do,  
I wanna do, baby  
All I wanna do,  
Is get the most out  
Of our precious time

I'll give you real love  
So hot you know  
It's cool ... baby  
I'll give you real love  
I'll get you in the mood ...  
Ooh yeah

Be my boy  
Just let's get down and  
Make some real love  
I can take it baby  
Be my boy I want you now  
Give me a good time ...  
That's what I like

All I wanna do,  
I wanna do, baby  
All I wanna do,  
Is get the most out  
Of our precious time

I'll give you real love  
So hot you  
Know it's cool ... baby  
I'll give you real love  
I'll get you in  
The mood ... ooh yeah
