I got my fingers dirty at the school of rock  
Yeah I got my fingers dirty so I took a walk  
I went up to the country park and hung around till  
After dark  
Till the girls got home  
Till the girls got home

Did I tell you 'bout the one I know, she's on the rag  
She spent the summer day inside her sleeping bag  
Yeah she spent the summer day inside until it's time  
To go to work  
And she works all night  
Yeah, the girl's alright

The girls have got a house that's like a caravan  
And it's like your holidays whenever you go round  
And we always have a laugh and then we all get in  
The bath  
To save on the leccy bill  
Me & Jo & Phil'

I had to leave them in the morning  
I left the keys around the way  
I had to go to work  
I had to leave them in the morning  
I left the keys down in the caf'  
I had to catch a bus

And when Jo was short of cash I had to give her some  
But I didn't really mind cause I was fit for once  
So we paid the lacky bill and got the shopping and  
We still had  
Some for the cinema  
So we all went out

She asked me "Do I need to lose a bit of weight?"  
And I said "Oh, don't be stupid 'cause you're  
Looking great"  
And I call her String Bean Jean because the label on  
Her jeans says  
Seven to eight years old - well that's pretty small  
Seven to eight years old - that's pretty small

Seven to eight years old - that's pretty small  
Seven to eight years old
