He raped me in the chalet lines  
The girl I shared with was away for the night  
I couldn't get up for my shift today  
I'll have to leave the camp now anyway

I'll go to London  
There's a mate of mine I know  
She'll give me a place  
Full of woe and further to go

He raped me in the chalet lines  
And I had just said no for the final time  
Although it's last month, it's like yesterday  
I missed my time, I don't think I could stand

To take the test, I'm feeling sick  
Fuck this  
I've felt like this for a week  
I'd put a knife right into his eyes

My friend can't see  
She asks me why I don't  
Tell the law  
Oh what's the fucking point at all

He raped me in the chalet lines  
It was a party, it was going fine  
With the boys from the amusement park  
A few were idiots, they were a really good laugh

They had the shows on  
Till way after dark  
I hope she'll give me a place  
Full of woe and further to go

She caught the bus  
"Oh I'll go anywhere"  
She caught the bus  
Her face was just a smear on the pane
