Who's that girl?  
She must be nearly freezing  
Who's that girl?  
I'll bet all that snow  
Makes it hard to see her  
Today she waved to me

And maybe I'm in love  
Love love, love love  
And maybe that's enough  
That stuff, that stuff

I made a film  
I made it through the window  
But who's that star I cast?  
All wrapped up in her winter wardrobe  
She hurries by so fast

And maybe I'm in love  
Love love, love love  
And maybe that's enough  
That stuff, that stuff

On summer days when sun shines  
I watch the tape  
And through the snow, through the window  
I watch her wave to me

Who's that girl?  
She must be nearly freezing
