I came a long long way  
To show you how I feel today  
And now I don't know where to start  
It's what you do to me  
This state of my emergency  
Straight from the bottom of my heart

You're the one and only guy  
Who can really get me high

You make me feel so good  
So good  
Like I knew you would  
Ooh la la la yeah  
You make me feel so good  
So good  
Like I knew you would  
Ooh la la la yeah

The way you look at me  
Could be my opportunity  
The one I've waited for for so long  
Forever happiness  
Depending on your sweet caress  
Baby with you I can't go wrong

You take the limit to the sky  
I didn't know that I could fly

You make me feel so good  
So good  
Like I knew you would  
Ooh la la la yeah  
You make me feel so good  
So good  
Like I knew you would  
Ooh la la la yeah

The time has come  
To let my feelings show  
Ain't it funny that my heart

Just told you so

Na na na na na na  
Na na na na na na na na  
Na na na na na na  
Na na na na na na na na

You make me feel so good  
So good  
Like I knew you would  
Ooh la la la yeah  
You make me feel so good  
So good  
Like I knew you would  
Ooh la la la yeah
