You see that destroyed road?  
just down the burning sun,  
With crazy steps,  
excess and more.  
Would you want a bite of my past time?  
Those deadly times  
Cos baby AAaaa i..M GOING HOME.

You see that zombie eyes?  
just down your sonic strings,  
with acid brains  
and sexual thirst.  
Would you want a bite of my past time?  
Those deadly times  
Cos baby AAaaa

What if I want to go back,  
To seek seek seek more deeper  
Jaja Let..s blow blow blow up.

What if I want to go back,  
To seek seek more deeper  
Jaja Let..s blow blow blow up.

You see that destroyed road?  
just down the burning sun,  
With crazy steps,  
excess and more.  
Would you want a bite of my past time?  
Those deadly times  
Cos baby AAaaa i..M GOING HOME
