I've been doing some hard traveling  
I thought you knew  
I've been doing some hard rambling  
Way down the road

Hard traveling, hard rambling  
Hard drinking, hard gambling  
I've been doing some hard traveling, Lord

I've been doing some hard rock mining  
I thought you knew  
I've been leaning on a pressure drill  
Way down the road

Well, the hammer flying  
And the air hose sucking  
And six feet of mud  
I sure been mucking  
I've been doing some hard traveling, Lord

I've been working that Pittsburgh steel  
I thought you knew  
I've been pouring that red-hot slag  
Way down the road

I been blasting, I've been firing  
I've been pouring red-hot iron  
I've been doing some hard traveling Lord

I've been layin' in a hard rock jail  
I thought you knew  
I've been layin' out ninety days  
Way down the road

The darned old judge, he said to me  
It's ninety days for vagrancy  
And I've been doing some hard traveling, Lord

I've been walking that Lincoln highway  
I thought you knew  
And I've been hittin' that sixty six  
Way down the road

Got a heavy load  
Got a worried mind  
I'm a' looking for a woman  
That's hard to find  
And I've been doing some hard traveling, Lord

I've been doing some hard traveling  
I've been having some hard rambling  
I've been doing some hard traveling  
I've been doing some hard traveling, Lord

I've been riding them fast passengers  
I thought you knew  
I've been hitting them flat wheelers  
Way down the road

I've been ridin' them, blind passengers  
Dead enders, kickin' up cinders  
I've been doing some hard traveling, Lord

I've been doing some hard harvesting  
I thought you knew  
From North Dakota to Kansas City  
Way down the road

Cutting that wheat and  
Stacking that hay  
Just trying to make 'bout a dollar a day  
And I've been doing some hard harvesting, Lord
