Nothing is so good it lasts eternally  
Perfect situations must go wrong  
But this has never yet prevented me  
From wanting far too much for far too long  
Looking back, I could have done it differently  
Won a few more moments, who can tell?  
But it took time to understand the man  
Now at least I know, I know him well  
Wasn't it good, wasn't it fine  
Isn't it madness he can't be mine  
But in the end, he needs a little more than before  
Security, he needs his fantasy and freedom  
I know him so well

No one in your life is with you constantly  
No one is completely on your side  
And though I move my world to be with him  
Still the gap between us is too wide  
Looking back, I could have played it differently  
Learned about the man before I fell  
But I was ever so much younger then

Wasn't it good (oh so good), wasn't it fine (so fine)  
Isn't it madness he can't be mine

Didn't I know how it would go  
If I knew from the start  
Why am I falling apart

Wasn't it fine  
Isn't it madness he can't be mine  
But in the end, he needs a little more than before  
Security, he needs his fantasy and freedom  
I know him so well  
It took some to understand him  
Hoo ooh I know him so well
