If only i could bridge these oceans,
and bring you home to me again,
Oh why are you so far from me?
I took at the stars, i cant take this anymore,
Oh god, i cant take this.

I cant take this anymore,
discouraged, lying on the floor,
as the sun begins to rise,
its so beautiful to these eyes,

Better a diamond with a flaw, than a pebble without,
better investing in a soul, to be left in doubt,
(If only i could bridge these oceans,
and bring you home, bring you home, bring you home
to
me again)

Oh god, i cant feel you near me anymore,,

youre no longer by my side, and next time
i wont let you get away

and we will be waiting, forever,
and we will be waiting, forever

Better a diamond with a flaw, than a pebble without,
better investing in a soul, to be left in doubt,
(If only i could bridge these oceans,
and bring you home, bring you home, bring you home
to
me again)

We will stand and fight last one out gets the lights,
(If we could only keep our distance from consistency,
Then maybe we could breathe more easily)
