Verse1:

How beautiful this love
You would lay down Your crown
Surrender Your throne in heaven
So that I could be found
How awesome is this love
That conquered the grave
Love that can move the mountains
Yet knows me by name

Pre Chorus:

It's unbreakable
It's undeniable
Nothing will ever
Separate us

Chorus:

Your love is higher
Than the skies up above
Your love is wider
Than what I can dream of
Your love is deeper
It's the greatest of all

Bridge:

Holy are You Father
A love like no other
So vast like the universe
Is Your love, Your love
