I have been wanting you for so long  
I have been wanting you for so long (so long)

I been down  
I been down a different road  
I been out  
I have been out of control

Girl, when you touch me back  
Yeah, yeah  
I get my senses back  
Yeah  
Girl, when you touch me back  
Yeah, yeah  
I get my senses back  
Yeah

So now I'm feeling alright  
Cause nothin' feels like  
When you're holdin' on  
Said, I feel alright  
Cause nothing feels like  
When you're holdin'  
When you're holdin'  
I'm feelin' alright  
Cuz nothing feels like  
When you're holdin' on  
When you're holdin' on

I wanna treat you like you wanna be treated (yeah)  
I wanna see you as you wanna be seen (yeah)

I been down  
I been down a different road  
I been out  
I have been out of control

Girl, when you touch me back (yeah)  
I get my senses back (yeah)  
Girl, when you touch me back (yeah)  
I get my senses back (yeah)

Oohh

So now I'm feeling alright  
'Cause nothing feels like  
When you're holdin' on  
Said, I feel alright  
Cause nothin' feels like  
When you're holdin'  
When you're holdin' on  
Said  
I feel alright  
Cause nothing feels right  
When you're holdin'  
When you're holdin' on  
I feel alright  
Cause nothin' feels right  
When you're holdin' on  
When you're holdin' on

Let yourself go,  
Let yourself go
