Verse 1:

There's no greater love than this
For You to save us
Burdened with all our sin
You came to take this from us.

Verse 2:

As the heavens mourned
And all the clouds went grey
All the earth's restored
by Your saving grace

Verse 3:

Eternal love unfailing grace
The gift You freely gave
Son of God and son of man
At the cross You took Your stand

Pre Chorus:

As the barrier was broken
Between heaven and earth
All the heavens cried out

Chorus:

Worthy is the Lamb, Worthy is the Lamb
Seated on the throne, Seated on the throne
Turnaround: You are God in the highest

Bridge:

You are the One
Who is and will be to come
Glory in the Highest
Highest, Highest, Highest, You are God in the Highest
