Verse 1:

Bruised and broken
Is what You were for me
On the cross You gave
Your life for all to see
A love so real a love for me

Pre Chorus:

And You, You make me stronger
You take me over ohâ€™™ Lord
And You are my strong tower
You gave the power to be free, to be free

Chorus:

You set me free
Three nails and You rescued me
Weâ€™™ re breaking down these walls
Itâ€™™ s the sound of victory
The earth will shake
With the power of love with no mistakes
Weâ€™™ re breaking down these walls
Jesus our King
