Visit "[You Alone](#)" on MotoLyrics.com

Verse1:

Hear the sound
Of Your praise
The symphony
Of Your chosen
Rising all across the earth

Verse2:

Fill our hearts
With Your fire
Weâ€™ ll be Your stars
In the darkness
Shining the light of Your freedom

Pre Chorus:

We Your children
Will echo Your fame
Lift high Your glorious name
Jesus Messiah Divine

Chorus:

You alone
Are mighty to be praised
We hail You all our days
You alone are God

Bridge:

Weâ€™ re running to the sound of heaven
Marching to the beat of Your heart
Laying all aside
Lifting You so high
You are God
