(Slamer, Ward)

I got excited

So I decided

I couldn't hide it

Ooh I guess it's time to confess

That you still light me up

Like a cigarette

I had to see you

I have to tell you

That if you wanted

Ooh to take a chance

And you'd see

That your saving a man from insanity

Do you need a little loving

Do you

Need a little loving

Tell me that you

Need a little loving

I see your nervous

You don't deserve it

I'll do the service

I'll bring you round to believe

That you can't mess around with reality

You're out of danger

I'm not a stranger

Sooner or later

Oooh I guess that you've got to know

That I'm here, I can't help

When you're feeling low
