Nobody knows  
Nobody cares about  
Nobody sees all the  
signals you're throwing out

Faces and crowds  
Everyone shouting out  
Hearing the words  
But denying there wherabouts

Chorus:  
Rat Race, Rat Race  
Keep on runnin' but it don't come easy  
Rat Race, Rat Race  
Hands on the wheel and drives you crazy  
Rat Race, Rat Race  
Don't give a damn as long as you are the first in line  
Rat Race, Rat Race  
But where's the will to survive

Losing control  
Feeling your not alone  
Everyone screams for a piece of whats going on

The sound in your ears  
Are suddenly very clear  
Can't understand any reason for being here

Chorus

Bridge: x2  
The heavy traffic is all inside your head  
It's all to crowdy and it's all to get away

Chorus
