I only hate you cause I have to
All my friends saying that it's bad for my health
I only hate you cause I hvae to
Give me some. give me some. gi-gi-gi-give me some.

Give me some time to think it over.
Cause every day we keep on getting farther away.
Give me some time to think it over
Just calm down.

What you're doing to me
What you're doing to me
What you're doing to me
Now baby why can't you see
What you're doing to me
What you're doing to me

I think I, I think I'm losing touch.
Cause I've been here too long.
I think it's way too much
I think I'll just move on
Cause you look the same
Not much due to
Could you just calm down

What you're doing to me
What you're doing to me

What you're doing to me
Now baby why can't you see
What you're doing to me
What you're doing to me
Cause I'm stuck inbetween
Give me room to breathe
Now baby why can't you see
What you're doing to me
What you're doing to me
What you're doing to me

What you're doing to me
What you're doing to me
What you're doing to me

Now baby why can't you see
What you're doing to me
What you're doing to me
Cause I'm stuck inbetween
Give me room to breathe
Now baby why can't you see
What you're doing to me
What you're doing to me
What you're doing to me

What you're doing to me
What you're doing to me
What you're doing to mem
