This must be underwater love
The way I feel it slipping all over me
This must be underwater love
The way I feel it

O que que Ã© esse amor d'Ãgua
Deve sentir muito parecido a esse amor

This is it
Underwater love
It is so deep
So beautifully liquid

Esse amor com paixÃo , ai
Esse amor com paixÃo, ai que coisa!

After the rain comes sun
After the sun comes rain again
After the rain comes sun
And after the sun comes rain again
After the rain comes sun
After the sun comes rain again

This must be underwater love
The way I feel it slipping all over me
This must be underwater love
The way I feel it

O que que Ã© esse amor d'Ãgua
Eu sei que eu nÃo quero mais nada

Follow me now
To a place you only dreamt of
Before I came along

When I first saw you

I was deep in clear blue water
The sun was shining
Calling me to come and see you
I touched your soft skin
And you jumped in with your eyes closed

And a smile upon your face

Você vem, você vai
Você vem cá
E vem aqui pra cá
Porque eu quero te beijar na sua boca
Que coisa louca
Vem aqui pra cá
Porque eu quero te beijar na sua boca
Ai que boca gostosa

After the rain comes sun
After the sun comes rain again(x2)

Cai cai e tudo tudo cai
Tudo cai pra lá e pra cá
Pra lá e pra cá
E vamos nadar
Vamos nadar e tudo tudo dá

This must be underwater love
The way I feel it slipping all over me
This must be underwater love
The way I feel it

Oh oh d'Água Underwater
Oh underwater love
This underwater love
This underwater love
Underwater love
