All I want is you stand by my side  
All I want is you stand by my side

And I hope you'll understand,  
I respect you as my friend  
Without you there's no plan  
Boys will come and boys will go,  
just like street cars

All I want is you stand by my side  
All I want is you stand by my side

There's time when life gets hard  
Without your friends you won't get far  
I got you and that's a start  
Never backing down, you're always true yeah

All I want is you stand by my side  
All I want is you stand by my side

We've been through everything  
We'll be sisters 'til the end,  
what's broken we will mend  
Boys will come and boys will go,  
just like street cars...

All I want is you stand by my side  
All I want is you stand by my side
