See you and I see right through,  
baby everything is black and blue with you  
Yeah with you  
And wasting money, killing time,  
And everything is on my dime with you  
Yeah with you

Won't you lay it on the line one more time  
Don't tell me what to believe in one last time

Maybe it's just the price I pay,  
I live to love you everyday, it's ok, it's ok  
And we're cutting our loses  
And drinking our dreams,  
And everything is worse than it seems, seems  
Yeah it seems

Won't you lay it on the line one more time  
Don't tell me what to believe in one last time  
Lay it on the line one more time  
Don't tell me what to believe in I'm just fine

See you now that we're both new  
And all the stuff that we've been through,  
It's you, yeah it's you  
Wasting days and giving lines,  
And everything came in time with you  
yeah with you.

Won't you lay it on the line one more time  
Don't tell me what to believe in one last time  
Lay it on the line one more time  
Don't tell me what to believe in I'm just fine  
(I'm fine, I'm fine)

For what it's worth  
I know I can't control you  
My green eyes, counterfeit smile,  
And I long to hold you  
I've got nothing but distrust, Yeah  
Don't you make me lie to you,

blame it on them like I always do,  
Like I do

Pay up, yeah, I'd love to  
Love to (x4)  
Pay up, I'd love to(x8)
