Today I heard that someone left this earth
That someone disappeared, left no mark here
Today I heard that someone just got up and left
themselves
Lying on the ground

Today is, today is, today is
Quiet in my town (x2)

Today two boys disappeared without noise
And I wish that I was them
Flying somewhere over head
Tonight in silence
Two lovers they fight and one is bored, one is angry
But neither one of them is right

Today is, today is, today is
Quiet in my town (x2)

Oh somebody say something
Somebody say something
Somebody say something to me
Oh somebody say something
Somebody say something
Cause I can't take this silence anymore

Today is, today is, today is
Quiet in my town (x2)

Today I heard the sound of birds
And I wish that I was
Anywhere but here

It's too quiet (x13)

It's too quiet in my town
I say it out today is, today is, today is
Quiet in my town

Today is, today is, today is
To quiet in my town (x2)
