

Civilian Death Machine "Rocks"

I'm hanging on,
I sense a fear
I drift around,
my fears come back to me

I used to run,
but now I climb
I'm not so fast
this life is full of hills

I'm Scaling Rocks
Over Stormy Seas
I'm Scaling Rocks
Under Stormy Skies
I'll Repel, On My Own Belay
I'll Repel Down, With No Delay
You pick a mark,
You grab a hold
You place your foot
You take your chance

I'm hanging on
I sense a fear
I drift around
my fears come back to me

I'm Scaling Rocks
Over Stormy Seas
I'm Scaling Rocks
Under Stormy Skies
I'll Repel, On My Own Belay
I'll Repel Down, With No Delay
