Everytime I Look Around,  
I See The Dark Before My Eyes  
Like A Cover, On The Soul  
Just Like A Friend,  
I Used To Have.

Down The Hole, You Take A Fall  
Everyone Can See It All  
There Is No Hand, Upon The Land  
Only You Can Break The Fall

(I Will Catch You If You Fall)

In The Morning When I Awake  
Over Mountains, Thru The Trees  
Across The Valley, Above The Springs  
I See You Shine

Spend The Days Adding Up  
All The Years You Can't Get Back  
All The Years You Wish You Had  
All The Years You'll Never Have

Down The Hole, You Take A Fall  
Everyone Can See It All  
There Is No Hand, Upon The Land  
Only You Can Break The Fall

(I Will Catch You If You Fall)

In The Morning When I Awake  
Over Mountains, Thru The Trees  
Across The Valley, Above The Springs  
I See You Shine
