You're Going Down
And You Know It
You're Going Down
And You Show It
You're All Alone
And You Know It
You're Going Down
And You Know It

The end is coming, you know it
You're in a hole, and you hate it
You come around with your gun
You're gonna right, what they wronged

You're Going Down
And You Know It
You're Going Down
And You Show It
You're All Alone
And You Know It
You're Going Down
And You Know It

You hate their god, and their killings'
Trade in their lies, for your freedom
You hate the pill that they gave you...
You,
And I see You cry...

You
Are Coming Down
You
Are Coming Down
You

Are Coming Down
You
ARE COMING DOWN.

You're Going Down
And You Know It

You're Going Down
And You Show It
You're All Alone
And You Know It
You're Going Down
And You Know It

(Solo)

You're Going Down
And You Know It
You're Going Down
And You Show It
You're All Alone
And You Know It
You're Going Down
And You Know It

40 years, and you show it
You saw the heat, and you know it...
You know the score and you hate it...
You,
And I see You cry...

You
Are Coming Down
You
Are Coming Down
You
Are Coming Down
You
ARE COMING DOWN.

You're Going Down
And You Know It
You're Going Down
And You Show It
You're All Alone
And You Know It
You're Going Down
And You Know It
