I know you're alone  
Are you there at home?  
Are you thinking back  
Do you think that, I am all wrong?

I won't crawl, nor will I fall  
I won't cry, nor will I die  
and I won't hide, the words I think  
"I wish You're mine, all mine, all mine", but...

I Know You Don't Belong  
I Know You Don't Belong  
I Know You Don't Belong  
I Know You Don't Belong

Sometimes, I wish you'd walk away

Sometimes, I wish you'd choose  
Sometimes, I wish you'd cut me loose  
Maybe then, I could make some sense.

In the shadows, and out of sight  
In the corner, and never heard  
When I break, you're all I think  
Where and when, do I draw the line?

I Know You Don't Belong  
I Know You Don't Belong  
I Know You Don't Belong  
I Know You Don't Belong
