I know a place,
That turns your dreams to realities.
In the city that never sleeps,
Getting tipsy at the parties. (I can't feel my face)
Sippin' on Champagne,
Take a ride on the subway.
Chilling downtown,
Back up for Broadway.

{Bridge}
You can sail the seas,
But nothing comes close to the city of dreams.
See your name up in lights,
Now let me hear you all scream!
Oh-eh-oh-eh-oh-eh-oh.

{Chorus}
New York City girls, they're Cosmopolitan,
Smart, tight, fit you know they got it.
Look so hot, watch out! They'll melt that spray tan off.
Eh-oh-eh-oh-eh, oh-eh-oh-eh-oh-eh-oh.
New York City girls, here we go again.
One for Cali, two for us.
East coast represent now put those fists up!
Eh-oh-eh-oh-eh, oh-eh-oh-eh-oh-eh-oh

Sex in the city (uh),
Laying underneath the streetlights.
And make [loving] (yeah),
For a freak (uh-huh),
Looks like I'm in for another night (xoxo).

{Bridge}
You can sail the seas,
But nothing comes close to the city of dreams.
See your name up in lights,
Now let me hear you all scream!
Oh-eh-oh-eh-oh-eh-oh.

{Chorus}
New York City girls, they're Cosmopolitan,
Smart, tight, fit you know they got it.

Look so hot, watch out! They'll melt that spray tan off.
Eh-oh-eh-oh-eh, oh-eh-oh-eh-oh-eh-oh.
New York City girls, here we go again.
One for Cali, two for us.
East coast represent now put those fists up
Eh-oh-eh-oh-eh, oh-eh-oh-eh-oh-eh-oh

Welcome to the melting pot
You've finally hit the spot.
[They've got nuts for nuts and nuts for bust,]
Look at those titties out of that bust.
High heels and a mini skirt,
If that's for dinner then what's for dessert?
Don't think that I'm a pervert,
I'm nothing than a harmless New York flirt.
It's just that these girls are breathtaking.
One look you're hooked,
So don't test me,
Sedate me, intoxicate me.
One shot, two shots, three shots.
Chase it down with a little Snapple,
And take a bite from the great big apple.
So many girls they're tough to tackle,
But get them in bed and they like to grapple.
Hey ladies (yeah?)
You want to get crazy? (uh-huh).
I feel like Diddy,
Representing New York City.

{Chorus}
New York City girls, they're Cosmopolitan,
Smart, tight, fit you know they got it.
Look so hot, watch out! They'll melt that spray tan off.
Eh-oh-eh-oh-eh, oh-eh-oh-eh-oh-eh-oh.
New York City girls, here we go again.
One for Cali, two for us.
East coast represent now put those fists up
Eh-oh-eh-oh-eh, oh-eh-oh-eh-oh-eh-oh
New york city
New york city
I'm sorry California but, watch out!
New york city
New york city
New york city
Haha New york City Girls.
