I spent 20 years trying to get out of this place  
I was lookin' for something I couldn't replace  
I was runnin' away from the only thing I've ever known  
And like a blind dog without a bone  
I was a gypsyu lost in the twilight zone

I hijacked a rainbow and crashed into a pot of gold  
I've been there, done that, I ain't lookin' that  
The seeds I've sown, saving dimes, spending too much  
time on the telephone...  
Who says you can't go home...

Who says you can't go home  
There's only one place that call me one of their own  
Just a hometown boy, born a rolling-stone, who says  
you can't go home  
Who says you can't go back, been around all around  
the world and  
That's a matter of fact  
There's only one place left I want to go, who says you  
can't go home  
It's alright, it's alright, it's alright, it's alright...

I went as far as I could, I tried to find a new face  
There isn't one of these lines that I would erase  
I left a million mile of memories on that road  
And every step I take I know that I'm not alone  
You take the home from the boy, but not the boy from  
his home  
These are my streets, the only life I've ever known, who  
says you can't go home

Who says you can't go home  
There's only one place that call me one of their own  
Just a hometown boy, born a rolling-stone, who says  
you can't go home  
Who says you can't go back, been around all around  
the world and  
That's a matter of fact  
There's only one place left I want to go, who says you  
can't go home

It's alright, it's alright, it's alright, it's alright...

[Guitar Solo]

I've been there, done that, I ain't looking that  
It's been a long long road  
Feels like I've never left, that's how the story goes  
It doesn't matter where you are, doesn't matter where  
you go  
If it's a million miles away or just a mile up the road  
Take it in, take it with you when you go, who says you  
can't go home  
Who says you can't go home  
Taken from  
There's only one place that call me one of their own  
Just a hometown boy, born a rolling-stone, who says  
you can't go home  
Who says you can't go back, been around all around  
the world and  
That's a matter of fact  
There's only one place left I want to go, who says you  
can't go home  
It's alright, it's alright, it's alright, it's alright...
