If I can reach the stars  
Pull one down for you  
Shine it on the heart  
So you could see the truth  
Then this love I have inside  
Is everything it seems  
But for now I find  
It's only in my dreams

\*If I can change the world  
I'll be the sunlight in your universe  
You would think my love was really something good  
Baby if I could change the world

If I could be king  
Even for a day  
I'd take you as my queen  
I'd have it no other way  
And our love will rule  
In this kingdom we have made  
Till then I'd be a fool  
Wishing for the day

\*Repeat

Baby if I could change the world

If I could change the world  
I would be the sunlight in your universe  
You would think my love was really something good  
Baby if I could change the world  
Baby if I could change the world  
Baby if I could change the world
