She's into superstitions  
Black cats and voodoo dolls  
I feel a premonition  
That girl's gonna make me fall  
She's into new sensations  
New kick in the candlelight  
She's got a new addiction  
For every day and night  
She'll make you take your  
Clothes off and go dancing in the rain  
She'll make you live her crazy life  
But she'll take away your pain  
Like a bullet to your brain

\* Upside Inside Out  
She's livin' la vida loca  
She'll push and pull you down  
Livin' la vida loca  
Her lips are devil red  
And her skin's the color of mocha  
She will wear you out  
Livin' la vida loca  
She's livin' la vida loca

Wake up in New York City  
In a funky cheap hotel  
She took my heart  
And she took my money  
She must've slipped me a sleepin' pill  
She never drink the water  
And make you order  
French champagne  
Once you've had a taste of her  
You'll never be the same  
Yeah, she'll make you go insane

\* repeat

She'll make you take your  
Clothes off and go dancing in the rain  
She'll make you live her crazy life

Until you go insane  
No, you'll never be the same

Upside Inside Out  
She's livin' la vida loca  
She'll push and pull you down  
Livin' la vida loca  
Her lips are devil red  
And her skin's the color of mocha  
She will wear you out  
Livin' la vida loca

Upside Inside Out  
She's livin' la vida loca  
She'll push and pull you down  
Livin' la vida loca  
Her lips are devil red  
And her skin's the color of mocha  
She will wear you out  
Livin' la vida loca  
Livin' la vida
