Don't do the crime...

Don't do the crime...

...if you can't do the time

Don't do the crime if you can't do the time

Don't do the crime if you can't do the time

Feel the heat, the vibrations

On the streets, lil' situations

From the grave, complications

A part of people livin' life

But it's slowing in the fast lane

Life is ghettoy chaos

Dust me, I've seen too many bloodstains

Too many childs put in graves

So c'mon people, see what's high

I'll set it off like the sky

Keep it real or leave it lie

Let a part of your voice survive

This is your life, no cute game

List of what people say with pay

So pump your fists, yeah!

Don't do the crime if you can't do the time (Yeah!)

Don't do the crime if you can't do the time
