Don't do the crime...
Don't do the crime...
...if you can't do the time
Don't do the crime if you can't do the time
Don't do the crime if you can't do the time
Feel the heat, the vibrations
On the streets, lil' situations
From the grave, complications
A part of people livin' life
But it's slowing in the fast lane
Life is ghetttoy chaos
Dust me, I've seen too many bloodstains
Too many child's put in graves
So c'mon people, see what's high
I'll set it off like the sky
Keep it real or leave it lie
Let a part of your voice survive
This is your life, no cute game
List of what people say with pay
So pump your fists, yeah!
Don't do the crime if you can't do the time (Yeah!)
Don't do the crime if you can't do the time
